All it needs is for you to check the Unavailability Book, change the dates and names on the template, save it and then e-mail it to the Church Office for Jan to distribute. ## COVID Restrictions At Church

### For when we return to attend church

- In order for us to be safe and to keep others safe, we need to wear masks at all times while outside and inside including during signing.
- We must distance 1.5m from those not in our household, while seated and while chatting before, after the service, and during morning tea.
- Food and utensils are not to be shared at morning tea. We ask that you bring your own cup/mug so we can save paper cups going to landfill.

Thank you for adhering to these restrictions and keeping each other safe

## This Week's Eco Tip

from you church Eco-group.

Oh No. You forgot to panic buy toilet paper!!!! Never mind. Toilet paper manufacture is a huge consumer of trees and is almost always wrapped in plastic. But it doesn't have to be. To buy your Loo Roll, wrapped in and made by recycled paper, buy it from Hayley Raglus. Email her on [hayleygibson@hotmail.com](mailto:hayleygibson@hotmail.com) and make your loo dash an ecologically responsible occasion and donate 50% of the profits to help build toilets and improve sanitation in the developing world. More information can be found on their website <https://au.whogivesacrap.org>

## JOHN 1: 1-5

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things came into being through him, and without him not one thing came into being. What has come into being in him was life, and the life was the light of all people. The light shines in the darkness, and the darkness did not overcome it.
