National Church Life Survey

Australian churches have taken part in the National Church Life Survey (NCLS) every five years since 1991. It involves all denominations across Australia and is the largest, longest running survey of church life in the world.

The Survey offers a way of understanding the state of the church in Australia, its health and vitality and how it is changing. The data and report on survey results should provide useful information to help us to plan for the future. We are planning to provide a time for the Western Heights congregation to complete the survey immediately following the worship service today 13th February 2022.

LUKE 6: 17-27

He came down with them and stood on a level place, with a great crowd of his disciples and a great multitude of people from all Judea, Jerusalem, and the coast of Tyre and Sidon. They had come to hear him and to be healed of their diseases; and those who were troubled with unclean spirits were cured. And all in the crowd were trying to touch him, for power came out from him and healed all of them. Then he looked up at his disciples and said: 'Blessed are you who are poor, for yours is the kingdom of God. 'Blessed are you who are hungry now, for you will be filled. 'Blessed are you who weep now, for you will laugh.

'Blessed are you when people hate you, and when they exclude you, revile you, and defame you on account of the Son of Man. Rejoice on that day and leap for joy, for surely your reward is great in heaven; for that is what their ancestors did to the prophets. 'But woe to you who are rich, for you have received your consolation. 'Woe to you who are full now, for you will be hungry. 'Woe to you who are laughing now, for you will mourn and weep. 'Woe to you when all speak well of you, for that is what their ancestors did to the false prophets. 'But I say to you that listen, Love your enemies, do good to those who hate you,
