From the Eco-group

Geelong Sustainability are asking us to join them for the **Human Sign Community Protest in the Park**, a major public gathering to show our collective strength and opposition to Viva Energy's proposed Gas Import Terminal in Corio Bay.

When: 12 - 2.30pm, today Sunday 23 February

Where: Moorpanyal Park, The Esplanade, North Shore

RSVP: Let Bruce Waldron know if you can come.

We'll form a massive human sign in the park which will be photographed from the air, symbolising our united opposition to this terminal. Together we'll demonstrate that our community says no to fossil fuels and yes to climate action.

'But I say to you that listen, Love your enemies, do good to those who hate you, bless those who curse you, pray for those who abuse you. If anyone strikes you on the cheek, offer the other also; and from anyone who takes away your coat do not withhold even your shirt. Give to everyone who begs from you; and if anyone takes away your goods, do not ask for them again. Do to others as you would have them do to you. 'If you love those who love you, what credit is that to you? For even sinners love those who love them. If you do good to those who do good to you, what credit is that to you? For even sinners do the same. If you lend to those from whom you hope to

receive, what credit is that to you? Even sinners lend to sinners, to receive as much again. But love your enemies, do good, and lend, expecting nothing in return. Your reward will be great, and you will be children of the Most High; for he is kind to the ungrateful and the wicked. Be merciful, just as your Father is merciful. 'Do not judge, and you will not be judged; do not condemn, and you will not be condemned. Forgive, and you will be forgiven; give, and it will be given to you. A good measure, pressed down, shaken together, running over, will be put into your lap; for the measure you give will be the measure you get back.'
