Help Needed

As Jan will be on leave for four weeks we are looking for a volunteer to help out in the office during August & September.

Thank You

I was extremely thankful and blessed to have my church community, friends and family praying for me during my recent difficult cancer operation on my tongue which was successful. Also knowing that I was supported and cared for helped me get through the 4 weeks of challenging health issues in hospital. Thank you everyone.

YOU ARE INVITED TO A FREE MOVIE

Organised by the combined environment groups of
St Lukes, Belmont, Wesley and Western Heights

The movie **2040** is being shown at
Belmont Uniting Church, 42 Thomson St, Belmont.

Sunday July 27th, 2.30 pm.

Afternoon tea provided.

All welcome and bring your friends.

The main messages from this movie are that we don't own the earth; we're just borrowing it from our children and from countless future generations. It's up to us to stop taking it for granted and to reverse the damage that we've already done.

But it is not a doom and gloom movie. 2040 points a practical, achievable path toward solutions, and its most important contribution is a sense that change is possible.

It's a well rounded vision for the future that highlights some overlooked solutions.

LUKE 10:38-42

Now as they went on their way, he entered a certain village where a woman named Martha welcomed him. She had a sister named Mary, who sat at Jesus's feet and listened to what he was saying. But Martha was distracted by her many tasks, so she came to him and asked, "Lord, do you not care that my sister has left me to do all the work by myself? Tell her, then, to help me." But the Lord answered her, "Martha, Martha, you are worried and distracted by many things, but few things are needed—indeed only one. Mary has chosen the better part, which will not be taken away from her."
