Help Needed

As Jan will be on leave for four weeks we are looking for a volunteer to help out in the office during August & September.

Thank You

I was extremely thankful and blessed to have my church community, friends and family praying for me during my recent difficult cancer operation on my tongue which was successful. Also knowing that I was supported and cared for helped me get through the 4 weeks of challenging health issues in hospital. Thank you everyone.

LUKE 11:1-13

He was praying in a certain place, and after he had finished, one of his disciples said to him, "Lord, teach us to pray, as John taught his disciples." So he said to them, "When you pray, say: Father, may your name be revered as holy. May your kingdom come. Give us each day our daily bread. And forgive us our sins, for we ourselves forgive everyone indebted to us. And do not bring us to the time of trial." And he said to them, "Suppose one of you has a friend, and you go to him at midnight and say to him, 'Friend, lend me three loaves of bread, for a friend of mine has arrived, and I have nothing to set before him.' And he answers from within, 'Do not bother me; the door has already been locked, and my children are with me in bed; I cannot get up and give you anything.' I tell you, even though he will not get up and give him anything out of friendship, at least because of his persistence he will get up and give him whatever he needs. "So I say to you, Ask, and it will be given to you; search, and you will find; knock, and the door will be opened for you. For everyone who asks receives, and everyone who searches

YOU ARE INVITED TO A FREE MOVIE

Organised by the combined environment groups of
St Lukes, Belmont, Wesley and Western Heights

The movie **2040** is being shown at
Belmont Uniting Church, 42 Thomson St, Belmont.

Sunday July 27th, 2.30 pm.

Afternoon tea provided.

All welcome and bring your friends.

The main messages from this movie are that we don't own the earth; we're just borrowing it from our children and from countless future generations. It's up to us to stop taking it for granted and to reverse the damage that we've already done.

But it is not a doom and gloom movie. 2040 points a practical, achievable path toward solutions, and its most important contribution is a sense that change is possible.

It's a well rounded vision for the future that highlights some overlooked solutions.

finds, and for everyone who knocks, the door will be opened. Is there anyone among you who, if your child asked for a fish, would give a snake instead of a fish? Or if the child asked for an egg, would give a scorpion? If you, then, who are evil, know how to give good gifts to your children, how much more will the heavenly Father give the Holy Spirit to those who ask him!"
